“Happy Tuesday”

The first Happy Tuesday of 2014-2015 was a cheerful one indeed. Students from Grades 3 and 4 enjoyed the pleasant atmosphere that hovered the primary area of the playground, as large groups of children sang along to the blaring music while others showed off their artistic talent. Some were even playing word games with prefects from Grades 11 and 12! All in all, this week's Happy Tuesday was a great halfway mark to week number three.
