

“Senior Dinner 2015”

A Night to Remember

On Friday, September 26, ISC-Dubai’s graduating class of 2015 hosted the annual Senior Dinner at the Atlantis Hotel ballroom. Students and staff members enjoyed each other’s company as they took endless photos and enjoyed a decadent meal. Some danced away to the music while others mingled with one another. As a final touch, students invited all members of staff to take a group photo which would mark the beginning of an eventful year. It really was an evening to remember.
