

## BEACH SOCCER

On Tuesday, November 3rd, 2015, Samsung Beach Soccer Intercontinental Cup returned to the Dubai International Marine Yacht Club for its 5th edition. The students watched as Russia beat Tahiti 5-2 in a very exciting match. Lasting 5 days, the competition brings the best team from each continent to compete for what is now considered one of the most prestigious awards in beach soccer. After a huge success last year, the students of ISC Dubai had the pleasure of visiting once more, and viewing some of the world class talent. This year's edition proved to be no different from the last, bringing out huge crowds and families for a day filled with food, beverages, and plenty of fun for everyone.
