

BEAUTIFUL MINDS

BEAUTIFUL MINDS

On Thursday, December 10th, 2015, the SLO Departments gathered for an academic and fun activity. The 8 different Departments were split to teams that competed to answer questions from different subjects. Each team had to spin the wheel until the arrow stopped on one of the categories, after which they had to race to hit the buzzer and answer the question. At the end of the competition, the Discipline Department had the most number of points and won.
