

MARTYRS' DAY

MARTYRS' DAY

On Monday, November 30th, The International School of Choueifat, Dubai commemorated the martyrs of the United Arab Emirates. A minute long silence was shared among students and staff members in remembrance of the nation's heroes. At 11:30am, the flag was triumphantly raised as everyone sang the National Anthem while reflecting on the immense sacrifices of the UAE soldiers who had given their lives for the nation. Following this, poems and speeches were beautifully read aloud by our students with the prevalent theme "we will never forget your sacrifices". The events of the day left everybody feeling patriotic with a deep sense of pride for being part of the United Arab Emirates.
