

SENIORS MATCH

On January 4th, 2016, the well-missed seniors from the class of 2015 visited the school during their first winter break from university. During the visit, the ex-members of the senior football team were put up against the current senior class of 2016, for a pep-rally style football match. This heated contest was highly anticipated, and the players did not disappoint. Old friendships were re-kindled and new rivalries were formed in the hour-long match. In the end, the seniors '16 won the match in an emphatic victory. Ultimately, the seniors' game was a great success, and will now become a yearly event.
