A Smile is a Great Start for a Great Year

It was a cheerful week back to school at ISC DXB. From Sunday to Tuesday, Superman, Batman, Winnie The Pooh, Tweety Bird, as well as the Kindergarten Fairy and the Kindergarten Gnome paid a visit to our school in order to welcome students with colorful stickers, smiles and handshakes. They paid special attention to those who weren't so excited to be back to school and for the majority, managed to "turn frowns upside down." As such, students and parents entering the KG gate were pleased to see balloons and streamers ornamenting their school on these rather difficult mornings back to classes. It was clear that this three-day greeting ceremony had made a difference for everyone, students and staff members alike. Welcome back, ISC DXB!
