

NEWS FLASH

Seniors HandPrints

The year the Class of 2015 had been waiting for has finally arrived: SENIOR YEAR! Screams, shouts and laughter filled the surroundings as the seniors lined up to place their hands in buckets of paint. There were shades of red, blue, yellow, purple and even mixes on everyone's palms. They then slapped the paint against a large piece of paper. The colorful paper mirrored their excitement for their final year at ISC Dubai. They sang "S-E-N-I-O-R-S 2-0-1-5" as their picture was taken and just by looking at their smiles, one realized that this moment would last a lifetime.
