

# First Day of School

Sunday, 28<sup>th</sup> August 2016, marked a significant date to many of our new students; the first day of Kindergarten at ISC Dubai. The morning commenced with many memorable moments that were beautifully captured, encapsulating many emotions of tears and pride, in which the day brought to both our new parents and students. The Student Life Organization (SLO) created a spectacular backdrop that showcased the sheer artistic creativity and attention to detail, incorporating a welcome theme encompassing this year's blockbuster, 'Finding Dory,'

The KG1 were greeted by SLO Prefects, welcoming them with pieces of fruit, a fitting image that symbolizes the forthcoming fruition of the many challenging, yet compelling, educational years ahead for these four year olds. Along with that 'Finding Dory' stickers were distributed, the ultimate enticement for any kindergartener. Parents and Students took photographs behind colourful, Instagram-style frames and oversized under the sea images. Bubbles and music filled the air to create an ambience of uplifting, positive vibes, which clearly worked a treat as there were plenty of happy faces to be seen, so much so that the first day of school for KG1 at ISC Dubai made international headlines in the media.
