

# OUTREACH EVENT

On Wednesday, 31st August 2016, the first Outreach event of the year took place in the School Theatre, where by all new students to ISC Dubai were welcomed with open arms to encourage their confidence and demonstrate the open-door policy of the SLO team and overall sense of community amongst students here in the school.

The event commenced with a warm speech delivered by Elena Abu Khuzam, Head of the SLO and Areeb Khalfay, Vice Head of the SLO, to explain all the common questions any new student would have in their first week of school. To relieve any nerves or anticipation the Activities Department organized a team building, icebreaker activity by which the goal was for every student to get to know each other by the end of the event. There were seven different teams of students, with the task consisting of each team being allocated eight random words and acting them out.

After much fun and laughter the icebreaker challenge proved a success as each team energetically completed their task amongst their new friends. The event finished up with refreshments and everyone left with happy faces, ready to begin school life here at ISC Dubai.
