# KG. SPORTS DAY

MUSIC, HAPPINESS, FRIENDSHIP AND MORE

Our KG1 and KG2 students had a fantastic Sports' Day last Saturday. There was a great deal of excitement in the air from the very beginning when the KG students arrived at school and saw two jumping castles and colorful balloons everywhere on the football pitch. Our teachers from the Infants Department did a great job of leading the children from one activity to another, while prefects from our secondary school played lively music all throughout the event. Students and their parents enjoyed obstacle courses, ball throws, a variety of races, as well as coloring stations, a balloon bending artist, and many more exciting activities. It was a wonderful day and we are really looking forward to the upcoming Sports' Days in the next couple of months.
