

44th UAE NATIONAL DAY

In the presence of His Highness Sheikh Mansoor bin Mohammed bin Rashid Al Maktoum, His Excellency Dr. Abdullah Al Karam, Director General of the Knowledge and Human Development Authority in Dubai and Mr. Victor Saad, Vice-President of SABIS®, a crowd of over two thousand students, parents and staff members gathered to celebrate the spirit of the UAE on the school's beautifully decorated green field. A military band opened the ceremony and serenaded the audience with the National Anthem. Mr. Hisham Hassan, Director of ISC Dubai, welcomed His Highness Sheikh Mansoor, Dr. Abdallah Al Karam and all the esteemed guests. The Oath of the UAE was read aloud to shed light on the solid bond that lies within the nation which continues to bring success and prosperity to its patriots. To celebrate the seven emirates' 44 years of unity, a group of Emirati students read a traditional poem to highlight their country's landmark achievements over the past five decades. Next up were the traditional Emirati dances followed by the Dubai Police Dog show. One of the most exhilarating scenes of the event was the 'Flag Flash Mob.' The students of the Student Life Organization (SLO®) brought together the four colors of the UAE flag as a symbol of our appreciation towards the gifted and visionary leaders of the UAE for all that they have done for their country. Numerous attractions were available throughout the celebrations to entertain the guests at ISC Dubai. The henna station, lounge stations, sports competitions, camel rides and the bouncing castles were all a big hit with both our younger and older guests. The atmosphere was lively and everyone enjoyed posing for pictures in front of the beautifully handmade Atlantis backdrop. Falcons, an emblem of the UAE, were also on site for our guests to observe and take photographs with. It truly was a memorable event for all those who attended. The air was overflowing with happiness and it was heartwarming to see a smile on every face. The International School of Choueifat, Dubai was delighted to have celebrated the U.A.E.'s 44th National Day with each and every one of its guests.
