

PROM 2015

SENIORS CELEBRATION

Sunday, 7th June was an evening for ball gowns, music and dancing. For yet another group of seniors, it's been an incredible year that's totally flown by with experiences and memories that they will treasure forever. For the Seniors 2015, prom was held at the Four Seasons Resort at Jumeirah Beach. The students, looking their best, were happy to be together once more, but later became emotional as they watched their graduation video. We wish them the best of luck for the future. Welcome to the world, graduates!
