

PEP RALLY

On Thursday, 9th February 2017, our Seniors 17' Pep Rally took place on the football pitch after school at 4:00 PM. Although the weather was dull and grey, the students' spirits were high and full of excitement to watch the Senior boys take on their teachers in a football match. Crowds of students, parents and staff members made their way to the pitch to be greeted by music and the smell of popcorn in the air. The annual Pep Rally is a significant event for every senior student as it gives students the chance to interact with their teachers through the medium of sport and in a fun and social manner. Members of staff such as the School Director, the Deputy Director, Secondary and Primary teachers all made the game an exhilarating experience.
