

SENIORS' LAST DAY

SENIORS' LAST DAY

In order to celebrate our seniors last day of school, a series of events took place at ISC Dubai. The day began with a very pleasant surprise! As the students entered the School Theatre, they were greeted with streams of confetti, and the faces of their beloved teachers who had arranged a pizza party, and had gifted them special souvenirs. Toward the end of the school day, bouncy castles and a soap soccer arena were set up, and the fun continued. After an afternoon of festivities, the seniors enjoyed a celebratory cake to put a sweet end to their school lives.
