

Senior 16' V Senior 17' FOOTBALL MATCH

On Wednesday, 4th January 2017, the ISC Dubai sporting calendar kicked off to an exciting and nostalgic start, as our current Senior 17' students took on last year's Senior 16' graduates in an exciting soccer battle on the School Football Pitch

From the get-go, the atmosphere commenced with immense sincerity, each player prepared to prove themselves adept of their athletic capabilities amongst their peers and after a successful term 1 by our Seniors 17' in all their matches both home and away, their triumph appeared potentially inevitable

The first half of the match Senior 17's took to the pitch with a fire beneath them. Khalid Elessawi scored the first goal soon followed by his fellow Senior 17', Ahmed Abedalrahman, which secured their exceptional advantage against their elder opponents as Senior 16s failed to secure a goal

After a much needed pep talk for the Senior 16's, their return to the pitch demonstrated a remarkable rebound and revived their chances. Bardia Mazlounian, Nasser Monzer and Saeed Khraish, all gave the team the pick me up, scoring a goal each, which they so badly needed after a disastrous first half. When the whistle blew, the result was concluded at 3-2 to the Senior 16' team leaving our Senior 17's in defeat

However, high spirits returned for all with music, corn and popcorn giving light to a friendly atmosphere to catch up with old friends and hear all about the exciting adventures of our Senior 16s' first semesters away at University. It was great to see everyone and thank you to all our SLO Department and P.E Department for refereeing the match.
