SLO HANDOVER CEREMONY

As we stepped into the SLO office, we couldn't help but think that this was the last time we were walking into this office as heads of our respective departments. Some of us have been involved in the SLO as early as the 5th grade and others only recently. Nevertheless, the SLO holds a special place in our hearts. One of the fundamentals of SLO is that we inspire younger students to create a line of succession. When we looked across the room and saw the young, hopeful faces, it reminded us of ourselves a few years ago. We proudly handed over our departments and left feeling fulfilled and satisfied that the 'empire' we had built is in safe hands. Handover is more than just titles and positions - it marks the end of an era and the start of new beginnings.
