

## SPORTS DAY

GRADE 1 And 2

### SPORTS DAY

*On Saturday, February 13th, the Lower School Department organized a sports day for the students of Grade 1 and Grade 2. The purpose of the event was to encourage students to keep active from an early age. They participated in many different activities such as football, basketball and golf. Students were asked to bring their kites to take full advantage of the beautiful day. It was a wonderful event which promoted healthy habits and physical activity for younger students.*
