

STAFF APPRECIATION

On Sunday, March 20th, the senior students gathered to thank their teachers and administration for all the support they received while attending ISC Dubai. To celebrate the staff and genuinely thank them for their efforts, a 'Staff Appreciation' event was held in the School Theatre. Once classes were over for the day, the staff of ISC Dubai were greeted with a red carpet outside theatre, and the seniors crowded around to applaud the faculty. Inside the theatre every staff member was gifted a mug which had their name engraved along with a thought provoking quote. The event was thoroughly enjoyed by the students, teachers, and staff members.
