UAE FLAG DAY

NEWS FLASH

UAE FLAG DAY

On Tuesday, November 3rd, UAE celebrated its annual Flag Day, and ISC Dubai joined in the festivities. Flag Day is a special occasion to honor the efforts of the founding fathers of this beautiful country, and celebrate their hard work and achievements. The flag is considered a symbol for the country's unity and greatness. It is also the international symbol for the UAE itself, and was therefore raised high all over the country in national celebration. Early in the morning, students were greeted with local music, and a flag which they signed their names on in their mother tongue, representing the diversity residing in the UAE. At midday, two huge flags were laid across the front of the administration, and the national anthem was played. After the initial celebrations, the school had the honor of listening to a speech presented by Mrs. Mona Saqur as well as two of our own students, Aisha Al Mansouri, and Lamia Alfarmazi. All in all, the celebration of Flag Day was a huge success, and a reminder to students that the privileged country they live now in, was built upon the sweat and blood of truly great leaders.
