

# Winter Festival

Today, Thursday, 15th December 2016, our Infant School had a special 'Winter Festival' event that was organised by the Activities Department of the SLO. Festivities kicked off before school at 7:30 AM until 7:55 AM by the school gate entrance to the Infants Department. Bubbles and music from 'Frozen' greeted students and parents as they made their way into the playground. A stunning backdrop displayed a true white, winter wonderland, along with fake snow that gave the illusion that we were somewhere deep in the snowy Alps and not in fact in the middle of the Dubai desert

There was an exciting visit from 'Frozen's' two notable characters, Elsa and Anna, two special guests that left each child in awe. After many pictures were taken and fresh fruit was handed out to the children, it was time to start the last day of school before the Winter Break commenced. Anna and Elsa then proceeded to visit each Infant classroom to make sure every child had the chance to get a picture with their favourite Disney characters.
