

DRESS CODE – HAIR POLICY

Dear Parents,

Please be reminded that, in accordance with the school's Personal Appearance and Behaviour Regulations, male students are required to maintain short, neat, and naturally coloured hair. Students may not dye their hair, grow long hair, or have patterns shaved into their hair.

Effective Monday, 31 August 2026, students are expected to arrive at school in full compliance with these regulations. Students whose appearance does not meet the school's requirements will be required to rectify the matter in accordance with the school's procedures before resuming normal attendance in class.

To avoid any inconvenience or embarrassment for your child, we kindly ask you to ensure that the required adjustment is made before Monday, 31 August 2026.

Thank you for your cooperation and continued support in maintaining the school's standards and expectations.
